TERMS & CONDITIONS

The Page layout
 The first printed page you will see when you open your book (once the file has been assembled as a pdf) is called page 2. If your book is set up as a double sided, the back of this page 2 is page 3. Each page has 2 sides. 10 pages double sided, requires 20 different pages.
10 page single sided book will contain 10 physical pages (printed on one side)+ front cover of book itself. The final exported PDF will have 11 pages.
 We print from the finished PDF. The PDF layout must be:
 - 1st page – Front Cover;
 - 2nd page – First Right printed page;
 - 3rd Page First Left Printed page;
 - 4th page 2nd Right Printed page, and so on from there.
 Any requested changes to the original PDF will incur a file handling fee of \$39 inc gst. Additional design time required is charged at \$132 inc gst. This includes, but is not limited to:
 • The creation of a different front cover from 2 different files
 • Combining more than one file to make one book
 • Changes to the PDF in anyway.
 • Photographic effects to improve or change the photos
 • Removal or addition of text
 • Scaling, resizing the PDF
 • Removal or addition of pages

PDF specifications
A3 & Elegance books are to have bleed of 3mm on all sides. Gutter: 20mm (suggested for text - images will bleed into spine). **US Letter books** have no bleed, however, please keep in mind that up to 3mm from all sides may be trimmed off during the binding process, therefore it is recommended that the text and image area be 5-10mm less than the page size on all sides. Gutter: 20mm (suggested for text - images will bleed into spine). We accept PDFs from all major page layout programs including Aperture, Quark Xpress, Adobe InDesign, iPhoto, Adobe Photoshop Album.
IT IS YOUR RESPONSIBILITY TO ENSURE CORRECT FILE LAYOUT. We accept no responsibility for quality or layout errors. File handling fee of \$39 inc gst if the PDF is required to be manipulated or changed in any form.
Trade Discount
 Applies only to customers that spend more than \$500 a month.

Providing your own files.
 We accept any PDF that conforms to the listed settings. Any alterations or checking of files created by programs other than iPhoto v5 or v6 on the Macintosh or Adobe PhotoShop Album 2.0 on PC will be charged at our hourly rate. Pagination and sizing is entirely your responsibility, if you produce the incorrect file you will be charged normal production costs.

Content checking of the book will incur the file handling fee of \$39 inc gst. **IT IS YOUR RESPONSIBILITY TO ENSURE CORRECT FILE LAYOUT.** We recommend opening your final PDF before forwarding to us.
